Mr. Evans:

While ignorance is not a good excuse, it is my only one. You have brought to our attention that the Susan B. Anthony List went over a \$1,000 spending limit in contributing \$1,500 to Andrea Seastrand (R-CA). I was under the misunderstanding that our limit was \$5,000.

Nevertheless, I have taken immediate action and have requested \$500 from the Seastrand campaign. (See attached letter.)

Thank you for your attention and patience in this matter.

Sincerely,

Marjorie Dannenfelser
President
